

R.Vijaya, MSc

Vijaya is currently a consultant speech language pathologist and audiologist at Sundaram Medical Foundation .

She completed her under-graduation in 1992 and post-graduation in 1994 in Speech Pathology and Audiology, from the All India Institute of Speech and Hearing, University of Mysore, India. From a academic perspective she was the topper in her university at the undergraduate level.

She started her career as a Speech Pathologist and Audiologist with Goa Medical College, Panaji, Goa. Subsequent to this she has been a full time Speech Pathologist and Audiologist with Sundaram Medical Foundation. She has also been a consultant speech therapist for Vasantham (special school for the differently abled children).

Her area of special interest is childhood language disorders. In this context she has been working very closely with Akash Clinic for the cereberal palsied children and Star Child clinic at Sundaram Medical Foundation.

She has also been actively involved in training of the DNB (ENT) candidates at Sundaram Medical Foundation.

Vijaya is member of Indian Speech and Hearing Association.
